CHAMPIONS! THE BOYS' FOOTBALL - CHILDREN TEAM WINS THE ALFONSO CASAS CUP

It was a successful day for our school's sports programme thanks to the incredible performance of the **boys' football - Children team**.

The young athletes claimed the top prize in the Alfonso Casas Cup, organised by Gimnasio Campestre, in a final against Liceo Francés that ended in a **2-0 victory** for our team.

We extend our heartfelt congratulations to each of the players and their coaches. Their discipline, teamwork and fair play are a source of real pride for the whole community.

Here's to many more successes!

GYMNASTICS TEAM OF THE ENGLISH SCHOOL

The school's gymnastics team ended its activities for the academic year in an unforgettable way. As a farewell event, the gymnasts took part in a special training session at Club Vasilieva, a top-class venue equipped with all the necessary apparatus and professional gymnastics facilities.

This event gave the gymnasts the chance to put into practice the routines they had learnt during the school year, whilst also enjoying a chance to bond and celebrate as a team the fantastic learning process, their progress and the outstanding achievements they have made throughout the year.

We congratulate the whole team and their coaches for doing our school proud!
